On Tuesday June 15 at 8:33 PM Sonitrol Security responded to an audio alarm in the rear shop at Action Jet Sports in Bradenton, Fl. Randall Duggins, the Sonitrol central station operator, informed the Manatee County Sheriff's office that he could hear glass breakage and two male voices inside the premise. Mr. Duggins listened to live audio from the premise informing police as to where the intruders were located and what they were saying. One male was apprehended on scene and two other men involved were later apprehended. The men were trying to steal motorcycles and accessories and all of the merchandise was recovered. 22 Manatee County Sheriff officers responded to the incident.
